

“Strengthening The Saved - Saving The Lost”

March 2018

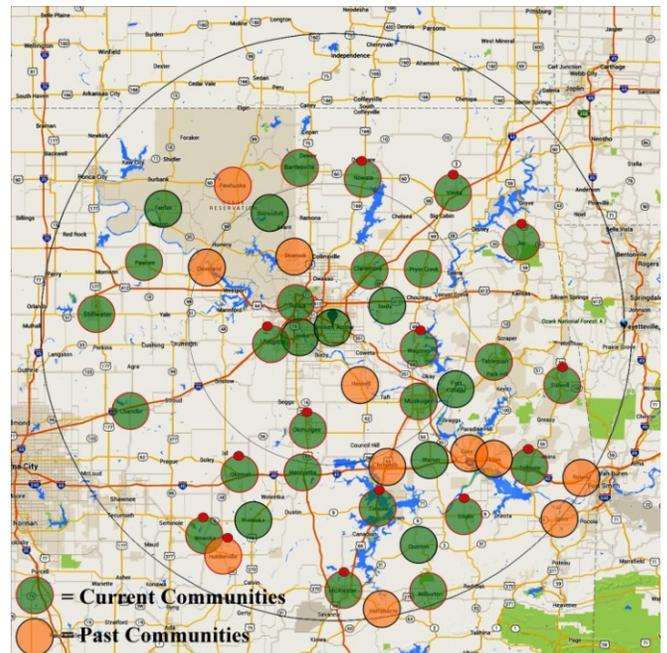

Dear Friends,

It's always wonderful to see so many people come to the services - residents, staff, and family. We are continuing the series on "who we are in Christ". We are still looking at righteousness.

"For he has made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him." 2 Cor. 5:21

Here it is in the NLT: "For God made Christ, who never sinned, to be the offering for our sin, so that we could be made right with God through Christ."

In Christ we have been made right with God - righteousness.

It's been a wonderful day of ministry. Both facilities brought in a lot of residents. In the last month I have been much more focused on a phrase the Lord put in my heart 9 years ago - "Strengthening The Saved - Saving The Lost." I am starting to explain to everyone, at the start of the service, why I am there. I say, If you are a believer, if you have accepted Jesus as your Lord and Savior, I am here to strengthen you and encourage you in the Word. If you are not a

believer, I am here to explain what Jesus did for you and how you can come into the family. Then, I want to say "Welcome Home!" We are seeing more results! Praise The Lord!

Tahlequah/Stilwell

"Light shining in darkness." That's what I kept sensing this morning. As I walked into the nursing home in Tahlequah, I realized I had options how I could look at things. I could look at the darkness: sickness, disease, problems. Or I could look at the light: health, healing, wholeness, the answer. Darkness is looking back. Light is looking forward. This morning we looked to the light - Jesus. He is the way, the truth, and the life. Everyone in the room wanted prayer for themselves plus prayer for their friends who were in their rooms because of sickness. There is enough healing power in just one verse to heal everyone on the planet. "Lay hands on the sick and they shall recover", so I did. Praise the Lord! Now it's on to Stilwell.

Eufaula/Wetumka

This morning we had a large group. I noticed there were several who were dealing with memory issues. We do live in a world of decay. So let's fight the good fight of faith. The Bible says in 2 Cor. 4:4, "In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them." Satan is the god of this world. The Good News is we don't

have to live on that level. To enter this higher level is to: 1) Accept Jesus as Lord and Savior. 2) Discover the promises of God, found in the Bible. 3) Believe in your heart and confess with your mouth the promises. 4) Never quit, never stop believing! (That's what I ministered on this morning.) After the service residents started singing the hymns and then carrying on sensible conversations. Praise the Lord!

Thank you Life Senders for sending the Good News to nursing care facilities throughout eastern Oklahoma. "The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest." Luke 10:2
