Dear Friends,

Let me start this month's news letter by sharing something that happened on the 5th.

Muskogee/Tahlequah

As I pulled into the parking lot, I noticed a work truck right next to an empty parking spot. There was a man sitting in the passenger's seat of the truck. As I got out of my car he said, "Are you preaching this morning?" I said, "I sure am." He said, "Well, I guess I better come in." He did come in and sat through the message. The Bible says, we are compelled by the love of Christ. We are affecting the lives of residents, staff, family, friends and workers. Praise the Lord!

Stigler/Quinton

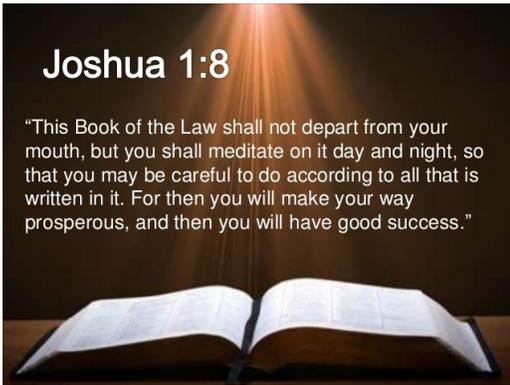

We are still sharing the story of the woman with the issue of blood. This morning it was received with open arms. Many residents were ready to take the steps she took to receive their healing. We are expecting great things. Now it's on to Quinton.

Wagoner/Sallisaw

It's Monday and I have a full week of ministry. This morning I was in Wagoner. I'm so thankful the staff is on board with this ministry and willing to bring in many, many residents. There is a person here who is here for rehab. She said she was in bed for a while. Now she is in a wheel chair and believing she will be on her feet soon. I hooked up with her and ministered along

Joshua 1:8

"This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success."

those lines. The Lord said in the book of Joshua, "This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success." We are going to prosper in our health and have good success.

Muskogee/Muskogee

This morning I was reminded again of the importance of ministry inside the walls of nursing care facilities. There is a resident here who was in a Eufaula nursing home. She has been moved to Muskogee. This morning I saw her and some of her family. When they saw that I was also in this facility, and realized the gospel was being preached here too, they began to laugh and cry at the same time. They were thrilled. The family decided to stay through the service. Hands were in the air as we gave praise to our Lord. God is so good!

Sapulpa/Stillwater

This afternoon was amazing. The power of God fell as we were singing. People began to weep and rededicate themselves to the Lord. One resident said, "I'm just so far from God. I need to come back." We prayed together and then I found another resident who wanted to help her with Bible study. I am so honored to be here and witness God in action. Praise the Lord!

Thank you so much for your continued support. You have a part in every life we touch in the nursing homes.
