

PAUL DENEUI MINISTRIES

“Strengthening The Saved - Saving The Lost”

August 2018

Dear Friends,

I always want to know I'm being effective for the Lord. Several years ago I said to the Lord, "Put me in situations and circumstances where I can be used the most to further your kingdom." This morning, as I entered the nursing home, staff came out of their offices thanking me for coming. They said they needed to hear some Good News this morning. I told them I had the best news they could ever hear. Residents, staff and family gathered as we looked into the Word. I opened my Bible to 2 Cor. 1:20,

"For no matter how many promises God has made, they are "Yes" in Christ. And so through him the "Amen" is spoken by us to the glory of God. (NIV) Every promise God has ever made is "Yes" in Him! It doesn't get any better than that. We all had to shout for a while!

Warner/Fort Gibson

Warner:

This month we are dwelling on 2 Corinthians 1: 19-20 "For the Son of God, Jesus Christ, who was preached among you by me and Silas and Timothy, was not "Yes" and "No," but in him it has always been "Yes." 20 For no matter how many promises God has made, they are "Yes" in Christ. And so through him the "Amen" is spoken by us to the glory of God." I know I have read this many times before but this time it hit me like never before.

EVERY PROMISE GOD HAS EVER MADE IS YES TO ME, IN CHRIST!

We are camping right there. We raised our hands in praise to our wonderful Lord and Savior.

Fort Gibson:

Occasionally there are times when scheduling falls apart. This afternoon was one of those times. First of all, it's the very first day of the month and the activities director has been sick at home for a few days. Last month's calendar was still up on the wall, so those that were here didn't know what to do. They devised an activity for the afternoon, not knowing what the regular schedule was. I've learned through the years to handle this a little better than I have in the past. I will be back and everything will be just fine.

Good News in a nursing home is few and far between. To bring Good News on a consistent basis is even more rare. It's like water in the desert. Residents, staff and family are thrilled to hear there is Good News. There is a good answer to any question they might have.

The Word of God has tremendous power in its pages. The Word can produce faith. When faith is used, it can change/produce anything you need.

There are times when I am not sure what to say about the services I have just been in. I feel like many times I am repeating myself from service to service. Then I was reminded of the power in the Word. Even when there are not any "wild" or noticeable manifestations of God's power, when His Word is preached there is tremendous power made available to those who are hearing. Never underestimate the power of God's Word.

Thank you for your faithful service to this ministry. Together we are ministering to a nation of people who are, in many cases, forgotten. We are committed to never forget.
