

"Strengthening The Saved & Saving The Lost"

September 2019

Dear Friends,

I stepped out of the car and a number popped into my mind - 1864. I walked to the front door and plugged it into the keypad and the door opened. I never memorize the codes to get into these many facilities. I do have most of them in my phone, if I need them. Before I look it up it usually pops into my mind. I use it once and then forget it. Then, in a month, it will come back again. When things like that continue to happen, it's a reminder that God is guiding me all the time. It's important for me to listen. This may seem a small thing, but it still blesses

me.

The room was pretty full when I stepped in. They were certainly ready to sing. We sang songs like: "His Name Is Wonderful", "Jesus Paid It All", "Joy In Serving Jesus", "Standing On The Promises", etc. Faith continued to rise throughout the morning. Cares were being lifted and we were simply putting our trust in HIM. It was a great way to start the day!

Warner/Tahlequah

I like to get into situations where it has to be God or it won't work. In Mark 11:24 Jesus said, "Believe that you receive when you pray and you shall have." The key to receiving from God is believing you HAVE received when you pray and BEFORE you see it. Many people believe it when they see it. This morning there were several residents in geri chairs and in need of healing. We looked at this scripture and believed together. Yes Lord, we believe!

THURSDAY, SEPTEMBER 19, 2019

Muskogee/Tahlequah

We had new residents and new visitors this morning. I always like to see new people. One of the visitors was a pastor from the area. He came to visit a resident, but had also heard about the nursing home ministry and wanted to see what it was all about. We are reaching the nation of the elderly, the nation of the homeless, and all those who find themselves in long term care facilities.

Tulsa/Cleveland

It was so good to be back in Methodist Manor. We have become family. At the close of the service there were many who asked for prayer. Mostly for their families. We prayed together. These are moms and dads, grandmas and grandpas who have their families on their hearts. I've always said, "As long as you are breathing God has a plan and a purpose for your life." I have found many times that residents have a heart of prayer for their families.

James 1:27

Pure and lasting religion in the sight of God our Father means that we must care for orphans and widows in their troubles, and refuse to let the world corrupt us. NLT

Thank you so much for your continued prayers and financial support. Together we are making a difference both to those in nursing care facilities and to the homeless.
