

# PAUL DENEUI MINISTRIES

"Strengthening The Saved & Saving The Lost"

**July 2020**

Dear Friends,

Back in March of this year, I wrote this. "This has been a very unique month. Ann's mother went home to be with the Lord on March 4th. (We were in Iowa and with the family at the time.) Her funeral was March 9th. Then we drove home on the 10th. On the 11th I ministered in both of my scheduled services, but by the next day I went through a medical screening to get into the morning service and the afternoon service had already been cancelled. That evening the federal government closed access to all nursing care facilities."

Wow, how things can change so quickly! This month we were able to go back to Iowa, spend some time with family and finish up some things with the house. I was also able to minister at a few nursing care facilities. I am able to minister outside in a variety of settings.

Thursday - July 9th

It has been such a good day knowing that I am able to minister in some of the nursing care facilities. The residents really need some activities to pick up their spirits. I was outside and they were inside, but it worked.

Thursday - July 23rd, 2020

We had an outdoor service this afternoon. Or I should say I had an outdoor service this afternoon. The residents were inside. It was a good thing they were. It was hot out there. There was great participation considering the distancing. We continue to Strengthen The Saved & Save The Lost.

Wednesday - July 15

I'm in Barnsdall and Claremore today. I handed off some materials, spoke to some employees over the fence, and waved to many residents through the windows. These are really strange times. But God is faithful to His Word. Keep confessing the Word!

Wednesday - July 22nd

It was great to see the residents in Okmulgee again. We were outside under the front carport. We sang some of the blood songs and then looked into the Word of God. He is such a good God. Matt 6:33 "Seek ye first the kingdom of God and all these things will be added unto you." We continue to believe for total health and wholeness.

Thursday - July 16th

I am in Muskogee today and handing out Bibles and books to nursing care facilities. These residents have been locked up for a long time and could use some encouragement. The people who work in health care are heroes. This sign is very appropriate.

Ann and I are so grateful for your prayers and financial support. We continue to pursue the voice of God leading and guiding us every step of the way.

*Paul D. Miller*
