

PAUL DENEUI MINISTRIES

"Strengthening The Saved & Saving The Lost"

August 2020

Dear Friends,

In April of 2016, the Lord called me to pray specifically for Rhema and the entire local and international team. He said this would be a layered ministry; something I would do as I was traveling to the nursing care facilities. This would be a radius of prayer surrounding Rhema for Protection, Power, and persistence. Last week it struck me that as long as most of the nursing care facilities are closed to visitors, this is my main thrust. I am still traveling to the communities, but focusing my full attention on prayer - The Nursing Care Facilities, The Communities, and Rhema. Today is one of those days. I was in Broken Arrow and Sapulpa. Not a lot of traveling, but sure was a lot of prayer!

Thursday - Aug. 13th

It was a great morning this morning. I drove out of the rain in the Tulsa area and moved to clear skies in Okmulgee. The residents were excited to get outside and breathe some fresh air. We sang about His love for us and our love for Him. "Oh, the Blood of Jesus" was one of the favorites. Then we looked at what it means to be a 3-part being - spirit, soul, and body. It's exciting to know we are in the family of God and He loves us.

Wednesday - Aug 26th

What a wonderful morning! We gathered outside under the front portico. The weather was great. We greeted each other like long lost friends. It is so good to get together again. This morning our topic was "God is love and He loves me". I think we could have gone on for another hour. I'll be back in 2 weeks and we'll pick it up where we left off. God is so good! We are: Strengthening The Saved & Saving The Lost.

During the month of August there have been situations and events that I have been able to be a part of that normally I would not have time for. I have been able to travel and minister to families in time of need.

My prayer is that all of our supporters are safe and protected by the blood of the Lamb. But not only safe and protected, but thriving during these times. We have the opportunity to share the true meaning of safe and protected through the Word of God. Heaven's economy is not struggling.

This is a great time to share the love that we have for others and the confidence we have in the Word.

This month we are ministering on the voice of our spirit - our conscience. It is a good guide if you are born again.

Ann and I are so grateful for your prayers and financial support. We continue to: Strengthen The Saved & Save The Lost.

Paul D. Miller
