

"Strengthening The Saved & Saving The Lost"

October 2020

Dear Friends,

This year has been a little strange. There are several things on my schedule that I am just not able to do. As nursing homes begin to open up, it will be like starting over. Several years ago the Lord had placed in my heart James 1:27.

“Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world.” KJV

Then I heard the Lord say this, “Take care of those who are alone and without family.”

I realized it was time to expand, time to branch out. So on October 2nd, I got back on my bike and headed to the river. Here is an excerpt from my blog.

Friday - Oct 2nd

Today seemed like a good day to help the homeless. (That may sound a little strange. Every day should be a good day to help the homeless.) Yet it's always good to be led by the Lord. I rode about 35 miles up and down the Arkansas river speaking to and helping many along the way. Then because of the generous and faithful partners of this ministry, I swung by John 3:16 mission and gave a generous donation. (There are many homeless who need shelter, clothes, and food.) Thank you Life Senders. You are the best. It was a very good day!

Thursday - October 8th

What a great day to travel to Muskogee. We had another outdoor service. Well, I was outdoors and the residents were indoors. (One of these days we will all be together again.) We looked at the Word of God in the light of renewing our minds and being doers of the Word. The Gospel is the Good News! Praise The Lord!

Wednesday - October 14th

I always look forward to coming to the Plantation House in Okmulgee. We are meeting outside under the front portico and having such a wonderful time. It was so windy today we all thought it was appropriate to sing "I'll Fly Away". We had a lot of fun. (Which is very important during these times.) Then we looked into the Word of God and talked about how we can live with peace that passes all understanding. God is so good!

Thursday - October 22nd

What a great day to be outside! (At least on the north side of a building. The wind was pretty strong from the south.) The residents were more than ready to fellowship. We sang for quite a while before we opened the Word. Then we began to review who we are in Christ. Toward the end of the service, we got pretty happy.

Strengthening The Saved & Saving The Lost

Every time I begin to write this monthly news letter I feel like I haven't done enough. Then I begin to see what has been done during the month and I continue to thank the Lord for His faithfulness. And you, my faithful partners, help to make this all happen. You are very encouraging to me and I thank you. Together we continue to: Strengthen The Saved & Save The Lost.
