

"Strengthening The Saved & Saving The Lost"

January 2021

Dear Friends,

Here it is 2021 and we are pressing forward into many new opportunities. It has been almost a year since the nursing homes closed to visitors. I have had the opportunity to minister in a few, but not like I was. If you will remember last spring, I made a grand tour to every nursing home I had ever been in to provide CDs, DVDs, and books. It took a few weeks to get that done. It was so good to visit where I could.

A few of the activities directors I stay in contact with asked me if I would be interested in streaming online services. It sounded interesting to me but nothing I had ever done before. I started pulling together what I thought I would need and then toward the end of January I announced on FaceBook we would be going live with the nursing home ministry. The format would continue to stay the same, old hymns and a simple message, we would just be coming in in a different way. I began to text every activities director that I could to let them know the specific streams and times. They were thrilled.

The first picture on this page is what I look like in my little studio. The second picture is a shot from YouTube as we were singing. Life is different these days, but the Gospel must be preached. My mandate had not stopped. We will get into nursing care facilities and minister to the homeless every way we can. You can be assured of that.

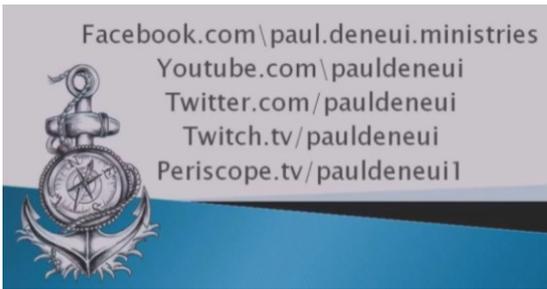

Blessed Assurance

Verse 1
Blessed assurance, Jesus is mine! O, what a foretaste
of glory divine! Heir of salvation, purchase of God,
Born of His Spirit, washed in His blood.

Chorus x 2
This is my story, this is my song, Praising my Savior
all the day long, This is my story, this is my song,
Praising my Savior all the day long.

Verse 2
Perfect submission, all is at rest, I in my Savior am
happy and blest, Watching and waiting, looking
above, Filled with His goodness, lost in His love.

We are on five different venues on the internet. This chart is part of what I share during the broadcast. We are trying to make it as easy and accessible as possible. Join us any time you like. Also, feel free to share this information. I go live Tuesday thru Thursday at 2pm central time.

Wednesday - January 27

Today we had our first live-stream service to the nursing homes and beyond. It was a blessing to many and went beyond what I thought would happen for the first service. I received a text from a very precious activities director who sent pictures of our first service to their facility. We are in! They all gathered around the big screen.

Monday - January 11 - Search & Rescue

Today was a learning day. This was my first day working with the John 3:16 Mission - Search & Rescue. We traveled to 5 homeless camps in the Tulsa area and talked/prayed with many in the woods and under bridges. We are reaching out to the lost and hopeless. Jesus is the way when it seems there is no way.

Two weeks later, we went to 12 encampments and spoke with many, many homeless. I continue with my mandate of: Strengthening The Saved & Saving The Lost.

Once again thank you for putting your trust in us. Your prayers and financial support are amazing. Together we are reaching many people who otherwise would not hear the Word.
