

PAUL DENEUI MINISTRIES

"Strengthening The Saved & Saving The Lost"

December 2021

Dear Friends,

December is a wonderful time of the year. This is the time when we celebrate the birth of our Lord and Savior Jesus Christ. We had 6 online services throughout December with a sing-along Christmas program on the 23rd. We made it very clear that this is the time when we focus on Jesus' birthday. No matter what type of decorations we see, we must remember we are decorating for a birthday party. It could be snowmen, stars, lights, candy canes, reindeer or even Santa Claus, but the reason is we are celebrating the birthday of Jesus. It seems like the only time we hear Burl Ives, Andy Williams, or Nat King Cole is at Christmas. We must always remember whenever we see or hear these things it should always remind us of the reason for the season – Jesus Christ.

The first of the year 2021 started with the idea of going into the nursing homes via the internet. What a wild thought. (The nursing homes were still closed with no indication of when they would open again.) It took me a few days to decide if it was something even worth pursuing. I decided if God was in it, there was a way. So we headed in that direction. This is what I wrote in my January 2021 newsletter:

A few of the activities directors I stay in contact with asked me if I would be interested in streaming online services. It sounded interesting to me, but nothing I had ever done before. I started pulling together what I thought I would need and then toward the end of January I announced on FaceBook we would be going live with the nursing home ministry. The format would continue to stay the same, old hymns and a simple message, we would just be coming in

in a different way. I began to text every activities director that I could to let them know the specific streams and times. They were thrilled.

At the time of this transition, we were living in an apartment. I did not have an office because all of my ministry had been on the road. All of a sudden I needed a video studio. I set up on our dining room table. It was all the room we had. After several weeks of this, it was obvious something had to change. As we prayed about our situation, something supernatural happened. On Sunday, Feb 7th God dropped in our hearts to buy a house. That week we had winter storms with record cold weather. That made it difficult to drive

around to look at homes. I spent my time looking on the internet. On Thursday of that week we saw a house that had just come on the market. We were able to go look at it that night. The next morning we were supernaturally qualified/approved to purchase the home. We made an offer and that afternoon our offer was accepted. It is a stunning example of the power of God!

This home has everything necessary to carry on the work that God has called us to. I now have an office with a studio to stream live services into nursing care facilities. (And anywhere else God calls.) We are so blessed.

I am writing this newsletter on Jan. 2nd, so I am naturally looking to the new year. In my next newsletter I will share some of the things the Lord said to me for 2022. God is so, so good.

There are times when words cannot express the love and appreciation we have for you, our friends and supporters. We are simply overwhelmed by your love and support for us. We pray that this year, 2022, will be the best year you have ever experienced. We pray that any challenges that come your way will be met with the power and wisdom from God to overcome. God Bless You In All Your Ways!

Paul D. Neri
